

ADUSD for Transportation Policy Representatives Visit DDC

The Assistant Deputy Under Secretary for Defense for Transportation Policy, Mr. Earl B. Boyanton, Jr., Mr. Alan Estevez, Deputy to the Assistant Deputy Under Secretary of Defense, Mr. Kenneth Stombaugh, Assistant for Traffic Management, and Ms. Lisa Roberts, Assistant for Traffic Management, visited the Defense Distribution Center (DDC) January 25, 2002.

The group toured Defense Depot Susquehanna, PA (DDSP) and discussed the innovative approaches DDC is taking with transportation. ADUSD is tracking best transportation practices for their implementation around the Department of Defense.

Mr. Earl Boyanton, ADUSD, LtCol David Fisher, DDC Chief of Staff, and Mr. Patrick McCormick, Director, DDC Logistics Operations, tour DDSP.

CAPT Chris McKelvey, SC, USN, DDSP Commander discusses distribution with Ms. Lisa Roberts, Assistant for Traffic Management, Mr. Scott Rosbaugh, DDC Strategic Plans.

New Chief of Staff at Defense Distribution Center

By Stacy Umstead, DDC Command Affairs

LtCol David Fisher, United States Marine Corps, became DDC's new Chief of Staff in November 2001. Prior to his most recent tour at Defense Distribution Depot Susquehanna, Pennsylvania (DDSP) (June–Nov 2001), LtCol Fisher was the Traffic Management Officer and Base Magistrate at Marine Corps Base Camp Lejeune, North Carolina.

LtCol Fisher, a native of Nebraska, brings a wealth of knowledge to the DDC as a Traffic Management Officer. He joined the Marine Corps in 1975. He's served on numerous assignments to include 1st FSR, Camp Pendleton, Ca., Marine Air Group 15 in Iwakuni, Japan (Air Embarkation); 4th Marine Aircraft Wing, New Orleans, Louisiana as an Air Embarkation Officer; III MEF, Okinawa, Japan (Strategic Mobility), 2nd

LtCol. David Fisher, DDC Chief of Staff

Marine Aircraft Wing, Cherry Point, NC, MCAGCC 29 Palms, Ca., and at Headquarters U.S. Marine Corps, Traffic Management Division, Washington DC.

LtCol Fisher looks forward to a three-year tour at the DDC with a focus on the evolution of distribution functions and processes needed to better support the Commander-In-Chiefs (CINCS) and services in deployed environments. He also hopes to provide to the DDC the Marine Corps view of integrated logistics and their needs during peace, war and provide the DDC story within the joint community from a Marine's view.
