By Stacy L. Umstead, DDC Command Affairs Office

On January 15, 2003, Master Sergeant Hector H. Reyes, United States Army, DDTP's Operations Sergeant, was presented the Joint Service Achievement Medal, by Brigadier General Kathleen M. Gainey, United States Army, Commander, Defense Distribution Center.

From August 2002 to September 2002, Sergeant Reyes provided outstanding leadership and guidance to the 665th Quartermaster Detachment and 1004th Quartermaster Company allowing them to significantly reduce the center's receipt and packaging backlog. Meeting a September 30, 2002 deadline, his hard work, dedication and determination allowed him to coordinate the clean-up effort of 80,000 square feet of storage space. This accomplishment kept DDTP on track and permitted them to start executing stock positioning initiatives on schedule.

According to DDTP's Commander, Lieutenant Colonel David Rodriguez, United States Army, "Sergeant Reyes is a true team player whose performance continually contributes to the success of DDTP."
