

**Our thoughts  
and prayers  
are with you . . .**

**During the last few months,  
several DDC Headquarters  
and center staff  
have passed away.  
Several family members  
of DDC staff  
have passed as well.**

**The loss has been excruciating.**

**There are no words  
to adequately express  
our shared sorrow,  
but our thoughts  
and prayers  
are with you.**
