

# Message of Support

The Defense Distribution Center (DDC) family expresses deepest sympathy for the victims and families of September 11, 2001.

Like all of America, DDC honors those heroes, the emergency workers and volunteers, working so diligently on the rescue/recovery missions and support operations in New York City, Washington DC, and Pennsylvania.

The DDC family response at work and in your communities has been heart-warming testaments of your patriotism and belief in the American way of life.

The DDC stands ready and proud to support America!

*James H. Pillsbury  
Brigadier General, USA  
Commander  
Defense Distribution Center*
