

# DDC Staff Attend Management Control Program Training

Management Control Program managers Pamela Smith from the Defense Distribution Center (DDC), Kathy Elliott from DLA, and Susan Blanke from Defense Supply Center Columbus (DSCC) collaborated to provide Management Control Training to DDC Staff Control Objective Managers.

Developed and taught by Elliott and Blanke, the four-hour course was designed to provide the DDC Staff Control Objective Managers with the knowledge and tools they need to effectively assess and report on management controls within their areas of responsibility. Topics included the

statutory and regulatory requirements of DLA's Management Control Program, the underlying philosophy of internal management controls, the major elements of the DLA assessment/reporting process, and the basic responsibilities of key players in that process.

The course was attended by Michael Stevens (DDSP-X), Laura Blubaugh (DDC J-8), Robert Hoover (DDC J-3/J-4), Sherry Amrhein (DDC J-3/J-4), James Blockus (DDC J-3/J-4), Lois Gabela (DDC-SM), Jeff Koone (DDC-CSS), Edward "Sam" Schuster (DDC J-6), and Eric Peiffer (DDC J-6).
