### **Information on local government job opportunities to be available at Armed Forces Day**

**CITY ISLAND, HARRISBURG, PA (May 5, 2008)** – Information on civilian job opportunities at the Defense Distribution Center installation in New Cumberland will be available during Armed Forces Day. The event will be held on City Island Saturday, May 17, 9 a.m. to 4 p.m.

Human Resources representatives serving the Defense Distribution Center installation (known as DDC) will be on hand to offer guidance on becoming a DDC employee. This includes finding Web sites that list DDC job announcements, benefits available to employees, and who to call with questions.

Positions available in New Cumberland include distribution process worker, supply technician, and materials examiner/identifier. Information on other career opportunities across DDC's global network of distribution centers will also be available.

Information on employment opportunities for veterans and recent college graduates will also be available including a two-year corporate training program designed to develop entry level employees for advancement in the career fields of contracting, quality and technical assurance, environmental protection, information technology, financial management, transportation management, and others.

All DDC careers feature competitive salaries, career advancement opportunities, health benefits, paid vacation and sick days, paid holidays, retirement packages, and other benefits.

A display illustrating DDC's mission and services to America's military will also be at Armed Forces Day to show how DDC's broad range of services including storage, distribution, customized kitting, specialized packaging, and transportation support to ensure the men and women of America's armed services have the supplies they need.

- end -

For more than a decade, the Defense Distribution Center (DDC) has been offering best value supply chain solutions through a broad range of services including storage, distribution, customized kits and specialized packaging as well as transportation support and technology development. Customers include the U.S. Army, Marine Corps, Navy, Air Force and other agencies. Headquartered in New Cumberland, Pa., DDC operates a global network of 26 distribution centers that employ nearly 8,000 people. DDC is a field activity of the Defense Logistics Agency. The Defense Distribution Center installation was formerly known as the Defense Distribution Region East (DDRE) and the New Cumberland Army Depot.
